

## Inspired to take action? Here's how!

Partners at this event are ready to help you take action by understanding and adapting to sea level rise. Please visit their websites and learn more.

### Point Reyes National Seashore Association

Environmental education and conservation

Take a class, volunteer to restore critical habitats, help inspire youth to be Earth stewards!

[www.ptreyes.org](http://www.ptreyes.org)

### Marin Audubon Society

Wildlife protection and wetland restoration

Learn more about birds or help us restore wetlands habitat.

[www.marinaudubon.org](http://www.marinaudubon.org)

### Shore Up Marin City

Multi-racial environmental coalition advocating for healthy air, soil, water, and emergency protections on behalf of those most at risk

Volunteer to support video production, write articles, and help us build a larger network!

[www.shoreupmarin.org](http://www.shoreupmarin.org)

### San Rafael Sustainability

Community action

Be a Climate Action Role Model — tell us what you are doing to minimize climate change and prepare for its effects.

[www.sanrafaelclimateaction.org](http://www.sanrafaelclimateaction.org)

### Environmental Action Committee West Marin

Protection and conservation

Join EAC to protect the land, water, and biodiversity you love in West Marin!

[www.eacmarin.org](http://www.eacmarin.org)

### OFA Marin

Climate advocacy

Help us get the word out to multiple constituencies on climate as an election issue
